# THE MERCY

In 1968, English businessman Donald Crowhurst (played by Colin Firth) is inspired by Sir Francis Chichester to compete in the *Sunday Times* Golden Globe Race, a single-handed, round-the-world yacht race. Though only an amateur sailor, Crowhurst believes that technology and gumption will enable him to succeed in a custom trimaran, thus ensuring financial security for his wife (Rachel Weisz) and young children. As delays and costs mount, his main sponsor, Stanley Best, becomes so nervous that Crowhurst is forced to sign promissory notes pledging his company and home to Best. Sailing away in the *Teignmouth Electron*, Crowhurst must complete the race or lose everything he holds dear.

Enjoy a glass of wine and some nibbles!
